## Qualification overview

To work in Early Childhood Education and Care you are required to have an Education and Care qualification.

With our Certificate III in Early Childhood Education and Care qualification you will gain skills and knowledge to work in a range of early childhood education settings, within the requirements of the Education and Care Services National Regulations and the National Quality Standard.

Learn how to care for children, nurture their development, and ensure their environment is safe and supportive. Take the first step towards an exciting and rewarding career in Child Care.

## Employment opportunities

On successful completion of this nationally accredited course you could gain employment as a:

- Nanny
- Early Childhood Educator
- Family Day Care Educator
- Outside School Hours Educator
- Playgroup Supervisor

## Work Placement

This course requires you to complete 160 hours of supervised work placement in an approved registered organisation. KCA work placement coordinator will assist to find a work placement.

Work as an educator at home, centre or school based environments. Secure your future in a rapidly growing Child Care industry
