Qualification overview

This Nationally Accredited Certificate III in Individual Support (Ageing), will give you the skills and knowledge to work in the aged care industry and support those who are most vulnerable!

Work in one of the most rewarding careers by providing guidance and support to the elderly with everyday tasks and achieve their personal goals.

When you enrol into this course, you will learn how to:

- Provide support to clients to assist them with their everyday tasks
- Empower them to achieve their personal short/long-term goals
- Incorporate the concepts and practices you have learnt within your work placement.

Employment opportunities

By completing the CHC33015 Certificate III in Individual Support (Ageing), you could gain employment as a:

- Care Assistant
- In Home Respite Worker
- Residential Care Worker

Qualification pathway

After achieving this qualification, you may undertake:

- CHC43115 Certificate IV in Disability
- CHC43015 Certificate IV in Ageing Support

Training and Assessment

Our courses involve a combination of classroom and online learning, practical sessions, research and project work plus work placement.

Students are required to attend classroom based face-to-face training. We utilise a range of assessment methods including role plays, written assessments, skills demonstration, projects, presentations, training records and work samples for the assessment of competency.

All students must satisfy Australian Police checks (including Police Clearance) in the state or territory that you are planning to work in prior to work placement. Campus Support Officers will assist you on orientation day.

EXPECTED JOB OPENINGS

Within the next 5 years, there will be 222,300 Aged and Disability Care Workers employed in Australia. There are over 9,000 jobs on Seek right now!

AVERAGE ANNUAL SALARY

The average annual salary is \$60,000 for an Aged Care Support Worker.*
